

2015 Water Quality Report

We're very pleased to provide you with the most recent Annual Water Quality Report. We want to keep you informed about the excellent water and services we have delivered to you over the past year. Our goal is and always has been, to provide to you a safe and dependable supply of drinking water. Our water source is the Floridan Aquifer, we treat our water with chlorination to disinfect and feed a polyphosphate for corrosion control. [Click here to download and view the report](#)
