

Montverde Library 2022 Angel Tree Event!

“Angels” are individuals who choose an angel card off the tree located in the Montverde Library. Children and Family Service social workers prepare the cards each year for our local Montverde and Ferndale families in need. Each child is asked what his or her wish gifts are. Three gifts are identified on each card in case the Angel donor is unable to find a specific item listed the sizes of clothing are also indicated. After all the gifts are collected, they are sorted and distributed back to the social workers to be given to the children. These may be the only gifts this child receives for Christmas.
