The Cemetery Committee met at Town Hall on Monday, March 7, 2016 at 10AM.

- General discussion on procedures, rules and regulations:
 - Only residents within 2 sq. miles can be buried in town cemetery.
 - Reservations of plots are not allowed now but older reservations are grandfathered in.
 - Must be resident of Montverde for 3 years before can apply for a cemetery plot.
 - Children of person buried here can be buried in cemetery even if not resident of town.
 -
- Discussed doing something special for honoring Veterans on Memorial Day and Veterans Day.
- Mayor Wynkoop brought cemetery map and is going to have copies made for us. Some plots have been held for forty years so we need to check if these reservations are still valid.
- Mayor Wynkoop also advised us that the Cemetery Committee does not make changes to the statue, administration or certificate ownership. All change recommendations are to be brought to the Town Council.

- Elected officers of committee:
 - Chairwoman: Michele Wells
 - Secretary: Ginny Kontny

- Leslie Temmen attended part of meeting. She was secretary of previous Cemetery Committee. We asked her to join our committee but she declined. However she told us we could contact her at any time if we have any questions.

- Next meeting to be held on Monday, March 21, 2016 at 10:00AM in Town Hall.

- Meeting adjourned by Rusty Meyer and seconded by Michele Wells.
