UPDATE FROM MAYOR WYNKOOP

Hello, I would like to take a minute and update you on a few items. The Town has completed several projects such as paving Third Street, installation of new LED lights in the Community Building and repairs from Hurricane Irma at Trussett Park. The Town has a long list of items to complete in preparation for the upcoming growth. I will be telling you more about these and other projects as they start and finish. Please come to our Council Meetings and get involved with shaping your Town. Going forward, if you would like to discuss anything concerning our Town, please feel free to call me at 407-496-1673.

ADD A BUCK PROGRAM

Don't forget the "ADD A BUCK " program which helps our local food drive. If you are able you can add a "BUCK OR TWO" to your Water Bill when you make your payment, Town Hall will take all the extra "BUCKS" and send them to our local food bank account at Second Food Harvest. The food is distributed to many people that could use a helping hand. Many Thanks for your help with this effort....together we can make a difference.
