

## Mayor Joe's Message

Hello hope you and your family are staying safe and doing well. April showers bring May flowers along with some freshening up by our Townhall team. Our cemetery, downtown and Townhall areas look beautiful with the recent work being done.

Also, in our May Council Meeting I had our prior Fire Chief attend so we could honor his 8 years of dedication and service to Montverde residents before we moved to Lake County Fire. Kevin did an outstanding job with training new recruits and running the day-to-day operations. We wish him all the best in his new adventures....

There are many topics your Town Council and Townhall Team are involved in at this time. New Housing developments, water improvements, road issues, etc. that most definitely effect your life. Please try to attend the Council meetings so the Council is fully aware of which direction our Town residents would like to go. If you cannot attend, we do use Zoom for our meetings, but you cannot comment during the meetings. If you have comments, please feel free to email me ( [Mayor@mymontverde.com](mailto:Mayor@mymontverde.com) ) or text (407-496-1673) and I will be able to let the Council know what you are saying.

Lastly when you have time take a few minutes and go to the Towns website at Mymontverde.com. There are many things for you to review there. Examples are Town finance report showing accounts and what is budgeted and what has been spent year to date for each department. Minutes from Council, Planning and Zoning and Committee meetings, drinking water reports etc.

As always please call email or text me anytime if I can be any assistance.

Many Thanks

Joe Wynkoop - 407-496-1673 cell

### IMPORTANT NOTICE!

Town Council Workshop  
Town Hall

**June 27, 2022-6:30 p.m.**  
Visioning Committee  
Town Hall

Greetings Montverde,

It was wonderful seeing everyone in attendance at the Montverde Spring Concert Series. Thank you to volunteers and town staff for making these special events possible.

One of the greatest things about Montverde is the small-town atmosphere we have in our wonderful community. Reach out and get to know your neighbors. We are very fortunate to have small businesses and restaurants located within Montverde. Please take time to visit and support our local establishments. Intentionally staying "Montverde Local" with your patronage brings value to our town.

There are many exciting projects on the horizon for Montverde. Please stay connected, attend the council meetings, communicate with your council members, or stop by town hall if you have any questions. I will be sharing more information on upcoming capital projects in future newsletters.

Have a great start to your summer,

Paul Larino, Town Manager

### Hurricane Season Starts June 1st—Be Prepared

It is important to create a kit of supplies that you could take with you if you are forced to evacuate. This kit will also be useful if you are able to stay in your home, but are still affected by the storm, such as through the loss of power. One common trend seen when hurricanes are approaching is a wide-spread panic. When this happens, people rush in large numbers to get all the supplies they think they need. However, if you prepare your kit ahead of time, you can alleviate a lot of the potential stress of a very chaotic situation. You should create your kit in a bag that you can easily take with you. Some recommended items to include are:

- Non-perishable food (enough to last at least 3 days)
- Water (enough to last at least 3 days)
- First-aid kit (include any prescription medication you may need)
- Personal hygiene items and sanitation items
- Flashlights (have extra batteries on hand)
- Battery operated radio (again, have extra batteries)
- Waterproof container with cash and important documents
- Manual can opener
- Lighter or matches
- Books, magazines, games for recreation
- Special needs items: pet supplies and baby supplies if applicable
- Cooler and ice packs
- A plan for evacuation and for if family members are separated
- Portable charges for phones and laptops

### Library News

WOW! I can't believe that the month of May is almost over, Memorial Day and Father's Day approaching quickly. Kids who want to make a Father's Day Card can stop by the library to make one or take the supplies home to make.

We will kick off our reading program on Wednesday June 8<sup>th</sup> at 11:00 a.m. If your kids are interested please stop by the library to register so we know what supplies we need. We hope to have a great turn out!!!

Just a reminder that we have bread and pastries on Wednesdays for people in need.

We need plastic grocery bags and egg cartons, if you have extra please bring by the library.

Again, thanks to everyone that has donated books and DVDs.

Thank You ,Kathleen and Mary

### Historical Artifacts

Town staff is in the process of receiving, cataloging and determining the best way to display our town's history. Any resident that has historical articles, items, etc. that would like to donate them to the town can drop them off at the library. Thank you!
