

Buy-a-Brick Reminder

The first order for engraved bricks will be placed soon! If you are interested, please come into Town Hall and place your order as soon as possible. The purchase price is still only \$25 to have a permanent presence in Montverde. A draft diagram of the proposed Town Hall landscaping plan, including the new brick paver sidewalks, is included on the back page of this newsletter!

Free Concert

Friday, March 20th from 7 - 9pm. We will celebrate the first day of spring 2009 with "Spring Fling in the Park" by hosting the New River Bluegrass Band. They will be performing on our new stage in Kirk Park and give us some great music. Mr. Willie's Grill will be available for food, or feel free to bring your own picnic basket. Marshmallow roasting will be happening too, so bring your lawn chairs and come and join in the fun!

Change in Trash Collection

Please see the announcement on the back of the concert flyer in this mailing. Waste Pro has started combining solid waste and yard waste routes, eliminating the Wednesday yard waste collection. On Mondays, please place all yard waste into your 96 gallon bin. On Thursdays, please place yard waste in your bin or in bundles or bags next to your bin. Recycling will continue to be picked up on Wednesdays. If do not have a recycle bin and would like one, please give Chris a call at Town Hall.

Special Thanks

Thanks go out to Mr. and Mrs. R. Schwarz of Windy Pine Street in the Pines of Montverde for the donation to the Montverde Fire Department of breathing masks for resuscitation of animals. We really appreciate their contribution to the health of our furry friends. Thank you to Ms. Jean A. Seeley for letting Town Hall know of this wonderful event.

Town Hall would also like to thank the Visioning Committee and volunteers in their Adopt-a-Road activity

March 2009

Feb. 14th –Sharon & Wayne Gey, Jane & Bob Tomlinson, Ginny & Larry Kontny, Laura Pierce, and Vickie & Cody Atwater. And, thanks to Woodlands Lutheran Church and their volunteers who spent so much time picking up the trash along County Road 455 Feb. 24th. We really appreciate all of your hard work keeping our community beautiful! Anyone who would like to assist in the next clean-up please call Town Hall and let us know.

Library Software Migration

The Helen Lehmann Memorial Library and the Lake County Library System are migrating to a new computer software program. March 2nd-7th the Library will be limiting the number of items checked out on each library card to 2 items per card (you MUST have your card to checkout).

No materials will be due during this time, and we ask that you refrain from returning any items, as we will be unable to check them in for you. By keeping your borrowed items at home, you ensure that they do not get "lost" in the transition and your card does not get charged and remains in good standing.

We thank you for your patience during this transition!

If you have any questions, please contact the Library at 407-469-3838.

Attention Veterans

A veterans' memorial is being created in Lake County. If you are a veteran and would like to be included, please contact Veterans Memorial Fountain Park Inc., 600 Market Street, Leesburg FL 34748 at (352) 314-2100.
