NEWS FROM MAYOR JOE

Hello to Montverde residents, I hope you and your family are doing well. First, I would like to Thank everyone that called me with their comments on the topics I mentioned in last months newsletter. Your opinion helps steer your Town Hall in the direction you would like to see it move. A few updates are, Black East which is the proposed development that is on the corner of Fosgate Road and Blackstill Lake Road has recently had some interest from a builder. Our Town Planner, Sean Parks and I have met with the owner and developer and discussed what the Town of Montverde standards are, I will keep you up to date as this moves forward. Your Public Works Department is in the process of getting everything needed to be able to make a decision on installing sidewalk lights in our downtown area. Your Town Council voted to move forward with changing out all of the water supplies electronic controls for both water pumps and storage tanks.

I would like to say Thank You to Jim Ley and the group of folks that are taking the time to drive around Town in the Security Car. I think I speak for everyone when I say this effort is much appreciated. There will be a concert on March 28th in Kirk Park. Please mark your calendars and come listen to Groove Infusion which is a great 80's band with a good light show. There will also be vendors there serving food.

Last but far from least also mark your calendars for the World Famous EASTER EGG HUNT on April 11th !!!

Many Thanks,

Joe Wynkoop
