NEWS FROM MAYOR JOE

Hello, I would like to say a BIG Thank You to our Librarian Kathleen and Jennifer, Parks and Recreation Committee members along with our Fire Department (that helped stuff 11,000 eggs) who put on the 5th annual Easter Egg Hunt. There were hundreds of attendees participating in this action packed event. On a different topic, your Public Works Department is in the process of replacing Lowery Road and the water pipes throughout. They are also installing tanks in the ground that will filter the storm water in this area before it goes into Lake Florence. In the Four Lakes area, your Public Works Department is monitoring the level of the water 7 days a week. They also had a camera and power wash system go through all the pipes between the lakes to ensure the water was not blocked in anyway. The water is still at its high water mark but is flowing correctly as new water enters the lakes. The Town is also having meetings with Montverde Academy and discussing ways to help the flow of traffic. MVA has put a lot of effort into addressing this by having their High School students get dropped off and picked up on 9th street and by having their Middle school students dropped and picked up on Porter Ave instead of CR 455. This and other solutions are on their way and will be a big help. Please try to attend our first Neighborhood Watch Program Meeting, May 15th at 6:30pm in Town Hall. Also, please try to attend our monthly Council meetings on the second Tuesday of the month. Starting at 5:30 there is a free dinner for everyone and the meeting starts at 7pm. Dinner this month will be Beef Brisket, Baked Potato, Collards, and Texas Brownies. Many Thanks, Joe Wynkoop
