Congressman Webster  
honors Montverde 100  
year centennial

What an honor it is to serve as the Mayor of Montverde. This past year, as we celebrated our town's 100-year anniversary, I was reminded of the strength, pride, and unity that make Montverde such a special place to call home. On behalf of the Town Council and Townhall Team, I thank you for being part of this milestone and invite you to join us in 2026 as we continue moving our town forward. Please enjoy these photos from all our centennial events and remember you're always welcome for our monthly Council meetings and dinners.

Many Thanks

Joe Wynkoop, Mayor of Montverde

New Library grand opening

### Blood Pressure Check

The library has a new service: blood pressure equipment for residents to check out for a period of one week. You will receive the equipment, instructions on using and cleaning the equipment before returning. You return to the library (inside) do not use the book drop outside. You may renew at the library, not on line and only if available. Holds are not permitted. For further information call or stop by the library 407 469-3838.

**Reduce runoff: cleanup fertilizer spills and store safely, do not overwater, use a rain barrel.**

#### Happy New Year, Everyone!

I hope each of you had a safe and joyful holiday season as we welcomed 2026. Looking back, 2025 was an incredible year for our town—filled with successful events that brought our community together and created lasting memories. Thank you to everyone who participated and helped make those moments so special.

We're starting this new year with something exciting: **our brand-new community library is now open!** We invite you to stop by and explore the space. Our current hours are **Monday through Thursday, 7:00 AM to 6:00 PM.** Many of you have reached out about donating books and DVDs, and we truly appreciate your generosity. At this time, we're focusing on organizing our existing collection. Once that's complete, we'll gladly accept donations again—so stay tuned for updates.

Finally, a heartfelt thank-you to everyone who contributed to the **Angel Tree program.** Because of your kindness, **131 children** experienced a Christmas they will never forget. Your support made a real difference in their lives, and we couldn't have done it without you!

Here's to a wonderful year ahead for our community!

Thank You Kathleen & Sandy
