Town Hall will be closed Monday May 27, 2024 for Memorial Day

Monday May 27, 2024 is Memorial Day. Take time to remember those who have fought for this country. Those who are still with us and those who are gone.

Mayor's Message

Hello, I hope this message finds you and your family in good health and safe. I'd like to bring your attention back to the ongoing budget planning process for the upcoming year led by your Council. In our government, the fiscal year kicks off on October 1st. If you have any suggestions you'd like the Council to consider for next year's budget, please join us at the May or June Council meetings for discussion.

As Mayor of Montverde, I extend a warm welcome to the many new residents who have chosen to make Montverde their home over the past year or two. Our Townhall Team and Council have been steadfast in preserving our small-town charm amidst significant growth in South Lake County. We've successfully completed numerous projects and remain committed to enhancing our community.

To our new and all residents, we invite you to participate in our Town Council Meetings held on the second Tuesday of each month, often also on the third Tuesday. There are various opportunities to get involved, such as joining the Visioning Committee, Planning and Zoning Board, or volunteering for events like Montverde Day, Halloween, Easter Egg Hunt, or Light up Montverde for Christmas.

Our Town Team is here to support you and address any inquiries you may have. If there's anything I can personally do to help you settle in, please don't hesitate to reach out to me at 407-496-1673 or via email at Mayor@mymontverde.com. For updates and information about our town, please visit our website at mymontverde.com and follow our Town Facebook page.

Lastly, mark your calendars for our upcoming Spring Concert on May 4th at 6:30pm featuring entertainment by Blue Stone Circle, performing a diverse range of music genres including Rock, Country, R&B, Reggae, Top 40, Latin, and Pop. This will be our final event until the Halloween Trunk or Treat in October.

Please try to attend your Town Council meeting on the second Tuesday of every month. We serve a great dinner for everyone starting at 6pm in Townhall. The meeting starts at 7pm if you can stay and attend. As always, your presence and input are valued.

Many Thanks

Joe Wynkoop

Library News

Would like to start with wishing all the moms a Happy Mother's Day ! Also, the month of May is Food For Fines at all libraries in Lake County. We will forgive fines for overdue material in exchange for dry or canned food items, hygiene, baby product and packaged pet food. By donating unopened non-expired items above, you will receive a \$ 1.00 credit per item that will be applied to your library fines.

Charges will not be forgiven on lost or damaged material. We will gladly accept donations to put towards Montverde patrons that have fines.

Thank You,

Kathleen and Hilary

Town Manager's Message

Greetings,

I hope everyone is doing well and getting ready for summer. The town has been busy working on several capital projects.

I have had a lot of questions about the ribbons or paint on the trees in town. The trees marked by the surveyors are for reference only and does not mean the tree will be removed. The surveyors are locating the underground utilities, right of way, and easements throughout town. As part of the survey, they located the trees that may be near some of these utilities. The information is used as a reference on the final survey map that will be provided to the town.

We have broken ground on the new stage located in Kirk Park. The footing is poured, and the stem walls are constructed. The library is moving forward as well. The Footing has been poured, the stem wall has been constructed, and backfill will be happening soon. There is a lot of underground work to be done on both projects so the final wall can go up.

The town's Visioning Committee is exploring new sign options for the town entrance signs and considering ideas for fitness stations along the town trails. I appreciate their work and dedication to improving Montverde's quality and livability.

I encourage you to attend the town council meetings and pay attention to the Lake County Commission meetings. If all goes as planned, the Montverde Council meetings will start airing as soon as May on South Lake TV. Once we go live, there will also be a link to access meetings on our website as soon as possible.

If you have any questions or concerns, please don't hesitate to contact the town hall.

Thanks, Paul - Town Manager
