## NEWS FROM MAYOR JOE

Hello, hope you and your family are doing well. Montverde Day is here again. I hope you can make it to our special event this year. I would like to say Thank You to our Parks and Recreation Committee, Claudia Stefanici, Karin Arellano, Kathleen Gifford, Jodi Marano and Maggie Wattier along with your Town Staff. These folks put in many hours and 26 meetings this year planning out the Spring Concert Series, Halloween Trunk or Treat, Montverde Day and Light up Montverde. This is a great group, working hard to bring enjoyment to you and your family..... Please take a minute when you see them and say THANK YOU !

Please read the attached Flyer that explains what is on the Election Ballot this year with the Charter Change. Myself and the Council want to make sure you have all your questions answered so you can make an informed decision on November 5th. This topic is an effort to make sure the Town operates correctly and benefits from experience and professional management every year going forward. Please feel free to call me to discuss if you would like to 407-496-1673.

I would also like to mention how well the new in house permitting process has been going. We have had many Vendors, Residents, and Home Builders comment on how easy the process is and how fast ( usually one day ) they are getting their permits compared to having to go to Lake County and wait weeks. This is a service your Town hall is happy to make happen for the residents of Montverde.
