NEWS FROM MAYOR JOE

Hello, I hope you and your family are safe and well. We are all doing a good job at dealing with the Covid-19 issue. Currently, our zip code 34756 has 86 cases. Please follow the CDC guidelines to stay safe.

I have a few things to bring to your attention this month. Our assigned Lake County Deputy Cross has been promoted to detective and has left his patrol duty in Montverde. We wish Deputy Cross good luck in his new position and we would like to say Thank You for a job well done during his time patrolling in Montverde. I would like to introduce our new Deputy, Richard Lopez. Deputy Lopez has been with Lake County Sheriff office for 16 years and has been in law enforcement for 25 years overall. He is married with three children and has lived in Lake County since 1997. Deputy Lopez would like to say, " I just would like everyone to know that I see and I do my job with the purpose of helping anyway I can. The key to success is education. I hope I can be an assistance to the Montverde Town leadership and community. Thank You for the opportunity.

In the very near future we will be opening our new DOG PARK! It is being constructed next to the Fire Department. There will be a large dog and a small dog section both equipped with their very own Fire hydrant and doggie water fountains along with benches. I will be posting the updates on Montverde's Facebook during the month.

We have a new addition to our downtown area call "Cals Kitchen". This is a great Pizza and Italian restaurant; their menu is attached. Give them a try soon!!

Please remember we are not having face to face meetings in Town Hall for Planning & Zoning or Council etc. The Call-in number for the Conference calls is posted on the Towns website so you can attend. Please call Townhall or me for more information if needed about the meetings.

The construction for the roundabout is still moving well, and I am told will be completed in October. The new water control system for our Town storage tanks is also moving along and installation of the all the new Town street signs is about halfway done.

Please feel free to call me if I can help you with anything.

Many Thanks, Joe Wynkoop
