DOH-LAKE COVID-19 VACCINE SITES UPDATE FOR 01/14/21

Noelda Lopez, Public Information Specialist
Noelda.Lopez@flhealth.gov
Office: 352-589-6424, After Hours: 352-729-1754

Eustis, FL. – This will be our last day at the Florida Department of Health in Lake County (DOH-Lake) Clermont Arts & Creation Center immunization site. We will be announcing a new South Lake drive-thru site in Groveland soon. Date and time of operations for this site will be determined on the arrival of our next vaccine shipment.

DOH-Lake COVID-19 immunization site schedule for the week of January 19-21, 2021:

We are making arrangements for second dose clients. They will be contacted when their second dose arrives, and they will be given a separate walk-in day or an appointment.

The remainder of our vaccines will be distributed at St. Patrick Catholic Church and the Lake County Government Lake Sumter locations and via public health strike teams. Our final numbers of vaccines distributed in Clermont is 14,000.

We look forward to opening our Groveland site as soon as the next large shipment of vaccines comes in!

<p style="text-align: center;">Tuesday Thru Thursday <i>Immunizations will begin at 11:00 a.m.</i> <i>Hours will vary based on availability and are subject to change</i></p>
<p style="text-align: center;">St. Patrick Catholic Church 6803 Old Hwy. 441 S, Mount Dora, FL Vaccines distributed as of today 2,492</p>

Appointment options will be coming soon from DOH-Lake

- There will be a limited amount of spaces in our lot per day.
- First come, first served
- Drive-thru
- Residents and non-residents
- Persons 65+ will need identification
- Frontline workers with direct patient contact will need to present a copy of their medical license, employee badge or current paystub.
- Face masks must be worn while waiting in vehicles.

- No referral needed. No cost. Clients will be asked to complete a registration form prior to receiving the vaccine.
- Inclement weather like lightning, heavy rain, or gusty winds can slow operations or shut down the site.
- Site will continue to operate based on vaccine availability

Please note, as per the manufactures of the vaccine, we can't administer the COVID-19 vaccine at the same time as other vaccines. We must separate the COVID-19 vaccine from other vaccines by 14 days before or after the administration of COVID-19 vaccine. If one had the Shingle vaccine, then they will need to wait 28 days.

If you have been on a blood thinners for less than a year or have had recent heart related surgery, take medications for atrial fibrillation, currently or any cancer treatments, cancer within the last six months, or take any immunosuppression medication please bring documentation from the provider stating that you may take the vaccine.

For questions, please call the DOH-Lake COVID-19 Hotline at (352) 268-9299 Monday-Saturday from 9 a.m. to 4:00 p.m.
