

**Roadwork and Stormwater
Construction Project UPDATE**
Lakeside Dr. (From Seventh St. to 3rd St.)

NOTICE
**SPEED LIMIT HAS
BEEN
TEMPORARILY
REDUCED**

Construction crews continue working on the streets and in the rights-of-way. Work includes water lines, stormwater grading, street expansion, asphalt paving, and curbing.

Temporary daytime road closures will cause delays in the area. Please consider using alternative routes to avoid construction dust and delays.

Thank you for your support and patience as we work to improve our stormwater quality and road infrastructure.
